

Get involved in your strata community and have your say.

As a lot owner, being part of your Owners Corporation Committee, or attending the Annual General Meeting (AGM) are ways you can have your say and participate in the issues that impact your building.

- **Attend the AGM:** All lot owners are invited and welcome to participate in the Annual General Meeting of our Owners Corporation.
- **Get to know other lot owners:** Meet people in your community and stay informed about important building updates and financial matters that impact common property.
- **Vote on Resolutions:** Ensure your voice is heard in the AGM and vote on critical issues such as maintenance, repairs, and budgets.
- **Consider joining your Committee:** If your Owners Corporation has a Committee, consider joining so you can actively participate in decision-making on matters outside of the AGM.

- **No Experience Needed:** All lot owners are welcome to participate – fresh perspectives are always appreciated.

Don't miss out – Your involvement can make a difference.

If you are interested in joining your Owners Corporation Committee, please email your SELECT Strata Manager.

Otherwise we hope to see you at the upcoming AGM and we look forward to meeting you.

Details of the AGM can be found in your Notice of Meeting documentation.
